

World Travel Awards 2018: #TAMARINA, Mauritius' Leading Boutique Hotel 2018

Tamarina Golf & Spa Boutique Hotel has been voted as the World Travel Awards winner of Mauritius' Leading Boutique Hotel 2018.

World Travel Awards is voted for by travel and tourism professionals and consumers worldwide, and this accolade recognizes the commitment to excellence of hotels, resorts, agencies, tour operators, airlines and all the actors of the travel and tourism industry, demonstrated over the last twelve months.

The **World Travel Awards Africa & Indian Ocean Gala Ceremony 2018** is one of the most prestigious travel and tourism events of the year, and brings together the leading figureheads and VIPs from across Africa and the Indian Ocean. This red carpet event was held last 6th October in Durban, South Africa.

It has been already 2 years now since Tamarina Golf & Spa Boutique Hotel, or #Tamarina, has adopted the famous #hashtag with the goal to bring clients to enjoy a new activities menu, whether at the hotel or in the nearby surroundings. Free entrance to Casela World of Adventures and free green fees at their 18-hole golf course, Tamarina Golf Club, were part of those moments to write home about and obviously part of the hotel's success today.

« Je félicite nos équipes de l'hôtel et du golf pour le service rendu pendant l'année. Nous sommes ravis de constater le succès généré par les réseaux sociaux et remercions nos fidèles clients et 'followers' pour leur partages et engagement, » nous partage le directeur de Tamarina, Raoul Maurel, qui a fièrement représenté son équipe au World Travel Awards.
